TENUTA IN PIETRANICO

# TRILUNA

I.G.T. Colline Pescaresi

[DATA SHEET](#)

# TRILUNA

I.G.T. Colline Pescaresi

**Classification** Still **Grapes** Chardonnay, Sauvignon e Malvasia

**Color** White **Alcohol** 14%

## VINEYARD

Tenuta Rosarubra – Pietranico

Age: 20 Years

Implant density (vines/ha): 2.200

Production per vine (Kg/plant): 3,4

Production per hectare(q/ha): 75

Type of agriculture: Biodynamic

Certifications: Organic and Biodynamic DEMETER®

## ALTITUDE

450m a.s.l.

## HARVEST

This particular blend is obtained from a selection the best grapes with late harvest (20-22 September) from 3 distinct vineyards. Optimal exposure, clones and age of vines give this wine the poetry of the perfect combination of the fruit of Chardonnay and the elegance of the Sauvignon blanc.

## WINE MAKING

The wine is made exclusively in stainless steel tanks thermo-conditioned at a temperature of 12°C. After a aging of about 8 months is bottled in total absence of oxygen.
